

**TERMS OF REFERENCE****Senior Project Manager on Energy Markets Reform****(Category 1)**

**ToR Date of Issuance: 10 May, 2024**

**Due Date for Applications: 26 May, 2024**

**1. Objective(s) and Linkages to Reforms**

The Recovery and Reform Support Team (RST) at the Ministry of Energy of Ukraine (the Ministry) is a group of Ukrainian professionals (non-civil servants) funded on a temporary basis through the Ukraine Recovery and Reform Architecture (URA)<sup>1</sup> programme that provides targeted technical support and assists the Ministry in the design and implementation of priority reforms.

The RST at the Ministry was launched in 2021 to assist the Ministry with the implementation of priority reforms in the following areas: an integrated approach to the formulation of energy policy, ensuring efficient operation of energy markets, coal industry reform, improving energy efficiency, implementation of the National Emission Reduction Plan, public administration reform and capacity building.

Since February 2022, the RST has also assisted the Ministry in ensuring the stability of the energy system in the context of heavy damages inflicted on its critical infrastructure by the ongoing war in Ukraine. The team provides coordination, analytical and expert support to the Ministry in areas such as evaluation of damages, repair of critical infrastructure, formulation of energy sector-related recovery plans and cooperation with international partners.

**2. Position and Reporting Lines**

The Senior Project Manager on Energy Markets Reform will be a full-time consultant in the RST at the Ministry.

The Senior Project Manager on Energy Markets Reform will be responsible for the following:

- coordination and electricity and natural gas markets reform implementation process;
- providing policy management support (policy development, implementation plans, risk management, etc.);
- providing consulting and expert support in preparing and drafting strategies, policy papers, analytical materials, and implementation plans roadmaps;
- acting as a focal point for coordination between the Ministry and relevant stakeholders (experts, government officials, donors, partners etc.);
- providing support to capacity building in the Ministry.

The Senior Project Manager will be subordinated to and coordinated by the RST Director.

---

<sup>1</sup> Ukraine Recovery and Reform Architecture (URA) is a comprehensive technical assistance programme deployed by the European Bank for Reconstruction and Development (EBRD), in partnership with the European Union, to support critical reform processes in Ukraine. URA is financed from the Ukraine Stabilisation and Sustainable Growth Multi-Donor Account (MDA) managed by the EBRD.

The Senior Project Manager will work in close cooperation with the Deputy Minister in the relevant areas.

### 3. Duration and Proposed Timeframe

This consultancy assignment is expected to start in June, 2024 with an estimated overall duration until August, 2025. The duration of the assignment will depend on the availability of funding, the needs of the URA programme and the performance of the selected consultant.
